NUMBER BEASTS / NUMBER BONDS

Make-ten link cards

Start at F. Join touching numbers that add to 10. Use every tile once.
Read left to right. Keep each tile the same way up.

Cut along the dashed edges, or write the tile letters in order.

TILE A		TILE B	
9	5	4	3

TILE C		TILE D	
3	END	2	1

TILE E		TILE F	
5	7	START	6

TILE G	
7	8

My chain: F → ___ → ___ → ___ → ___ → ___ → ___

Make a new link: If G ends in 4 instead of 8, what number must start D?

FOLD UNDER TO HIDE THE KEY

F → B → G → D → A → E → C. The first join is 6 + 4. The last is 7 + 3.

New link: D must start with 6 because 4 + 6 = 10.
