ROOMMEND / FREE COMPANION WORKSHEET

Recheck the work. Record what changed.

One home task. Three follow-up visits. A record of observations, not a safety verdict.

TASK _____ **ROOM** _____

REPORTED COMPLETE ON _____ **PERSON TO FOLLOW UP** _____

COMPARE WITH _____

Name an earlier note or photo date. Keep addresses and sensitive details off this sheet.

01 FOLLOW-UP

Planned: _____ Checked on: _____

STATUS ☐ Not checked ☐ Observation recorded

What did you actually observe?

_____

Next action, who and by when:

_____

02 FOLLOW-UP

Planned: _____ Checked on: _____

STATUS ☐ Not checked ☐ Observation recorded

What did you actually observe?

_____

Next action, who and by when:

_____

03 FOLLOW-UP

Planned: _____ Checked on: _____

STATUS ☐ Not checked ☐ Observation recorded

What did you actually observe?

_____

Next action, who and by when:

_____

Before each visit: use the planned date from your own schedule. If a check did not happen, mark Not checked. Describe visible changes or what could not be checked; do not turn an empty row into an all-clear.

Choose intervals using the actual task instructions or qualified guidance. This worksheet does not inspect work, establish maintenance requirements or certify safety.

Optional app: RoomMend - home notes, fixes, photos and rechecks.
